Remove the Hassle of Phone, Email, Fax, and Paper Communications

CompHub™ by Perspecta is your productivity solution that facilitates a better way to access and collaborate internally and with your partners. All resources are integrated into one portal that eliminates the need to call, fax, or log into multiple company websites.

Additional Perspecta Services

- **Health Tickets:** Virtual ID cards that provide injured workers with a roadmap of their workers' compensation program, which includes their pharmacy card, services that require pre-authorization, participating medical providers, approved ancillary partners and much more.
- **Outsourced Workers' Compensation Panels:** Reduce administrative hassle with a turnkey service to create panel cards for all 50 states. Simply upload a file on the CompHub portal to create single or multi-panel cards with clean and accurate provider data.
- **Search Web Analytics:** Apply data insights within VIIAD Provider Directory on user search patterns to evaluate network performance.
